Take a look back at some of the activities that kept members of the Port Charlotte Yacht Club busy and having a fun time throughout the spring and summer months.

APRIL:

In April, nine members of the Port Charlotte Yacht Club took their boats to the Boca Grande Marina. Beautiful weather and a visit from 30 other members who arrived by car for dinner on the second night made this a memorable trip. Boaters were able to rent golf carts to tour the island, head to the beach and enjoy the restaurants.

Also in April, the annual Spring Fling fundraiser was a great success. The event always includes a ladies luncheon and silent auction.
